

Office of the Secretary of Defense

§ 256.7

in priority order, consistent with budgetary considerations, will be developed for approval by the Secretaries of the Military Departments, or their designated representatives. These plans will serve as the basis for all AICUZ actions at the individual installations.

(f) *Coincident actions.* The Secretaries of the Military Departments will also take action to assure in accordance with § 256.4 (a) and (b) that:

(1) As the first priority action in developing an AICUZ program, full attention is given to safety and noise problems.

(2) In all planning, acquisition and siting of noise generating items, such as engine test stands, full advantage is taken of available alleviating measures, such as remote sites or sound suppression equipment.

(3) The noise exposure of on-installation facilities and personnel are considered together with that off the installation.

(4) There is development or continuation with renewed emphasis, of programs to inform local governments, citizens groups, and the general public of the requirements of flying activities, the reasons therefore, the efforts which may have been made or may be taken to reduce noise exposure, and similar matters which will promote and develop a public awareness of the complexities of air installation operations, the problems associated therewith, and the willingness of the Department of Defense to take all measures possible

to alleviate undesirable external effects.

(g) Responsibilities for the acquisition, management and disposal of real property are defined in DoD Directive 4165.6, "Real Property; Acquisition, Management and Disposal," September 15, 1955 (20 FR 7113).

(h) The Deputy Assistant Secretary of Defense (Installations and Housing) will examine the program developed pursuant to this part, and from time to time review the progress thereunder to assure conformance with policy.
